

## THE GERMAN EMIGRATION CENTER BREMERHAVEN

### Where History and the Present Meet – Discover New Perspectives on Migration at the German Emigration Center Bremerhaven

In the German Emigration Center in Bremerhaven, the award-winning museum is located at one of the historically most essential emigrant ports in Europe. Visitors will embark on a moving journey through time. In 2021, the renovated and expanded interactive museum invites visitors to explore new, authentically reconstructed locations, personal memorabilia, and moving biographies. The guests get to meet genuine emigrants on their journey to their new lives overseas and experience the history of the Federal Republic of Germany through the eyes of immigrants. Visitors can dive, interactively and multimedia-based, into more than 300 years of German and European history and stories covering emigration and immigration. We expressly encourage you to empathize, ponder and participate in the discussion! There is also the possibility of researching emigrated ancestors in the family or taking advantage of the diverse program in our barrier-free Museum: Guided tours for young and old, exciting activities for children, from kids' quizzes to family night hikes, and interesting facts for students and adult history enthusiasts alike. From a culinary point of view, the museum restaurant "Speisesaal" rounds off your journey through time with modern cuisine and a historical menu.
